

Performances

An entertaining introduction to a wide variety of sounds, instruments and styles. Through our performances, we share our enthusiasm for music making with the children. The aim is to inspire and excite children into taking this further, thereby increasing participation in musical activity in school and beyond. Performances include plenty of audience participation, and the opportunity to ask questions about the instruments and music.

"Thanks again for a fantastic concert. The children really enjoyed it -lots of them now want to take up the bagpipes!"
Teacher, Guildersome Primary school

Ceilidhs

Ceilidhs are a great way of introducing children to traditional music and dance. Covering a number of curriculum areas, including PE, music, history, geography and PSE, the dances are for all ages.

A great way to celebrate St Patrick's, St Andrew's or Burns day, or as part of a cultural/arts week, children will find these dances fun, teachers will have a wealth of follow-up ideas.

"Fantastic! The caller was great and made it easy for everyone to follow."
Fiona campey, teacher, Wirksworth Derbys
